

Join the Dark Attraction & Funhouse Enthusiasts (DAFE) as we explore and enjoy the world of dark attractions.

DAFE is an international not-for-profit organization dedicated to enjoying, researching the history of, and supporting the preservation and creation of dark attractions of all kinds- haunted houses, darkrides, funhouses, 3-D attractions, simulators, escape rooms, etc. Our members include enthusiasts, parks, attractions, haunters, actors, manufacturers, corporations, industry professionals, and families.

DAFE feels that it is important to visit both historic and new attractions and to support those that create and maintain them for us to enjoy.

Meet fellow members as we explore attractions, old and new, with behind-the-scenes tours, historic talks and Exclusive Ride Time* at our annual events. DAFE plans at least one event during the spring/summer season as well as a special Halloween season event.
